

## MD-29 Leadership Opportunities

The VDG's (incoming council) will be appointing all MD Chairperson Positions for 2008-2009 at our State Convention in April. Any Lion can apply for any of the positions by sending a resume of your Lion experience and qualifications along with a plan, your ideas and goals for the position.

The positions are:

- |  |                             |

| LEO CHAIR                              | PUBLIC RELATIONS CHAIR      |
| PROTOCOL CHAIR                         | ROMNEY STUDENT WORK PROG.   |

\* The MERL positions require a major commitment of time and effort & LCI recommends that this be the only major responsibility that the Lion have in our organization while serving in these positions. These are also three year terms and those presently serving will be beginning their third year of their term (each council has the right to make a change if they so desire) and may require travel to a MERL Chair Seminar (2-3 days) presented by LCI.

So if you have experience in your district in any of these areas, consider serving at the multiple district level and advance your Lions career.

Please apply by e-mail or hard copy by March 25, 2008, to the VDGs and State Secretary John Pinkerman so they will have had time to consider appointments for the coming year. His address: P.O. Box 162, Lesage, WV 25537-0162; email: [wvlions@comcast.net](mailto:wvlions@comcast.net) -PDG Dan Dague, MD 29 Leadership Chair
